APARNA AGRO EXIM

Exporting Globally

Aparna Agro is a leading exporter in rice , oil seeds & other argo products & commodities from India, serving B2B clients globally. India, as a prominent agricultural nation, has a rich history of crop cultivation and farm-related activities, making it the second-largest economy in agricultural production. Operating from rural India, Aparna Agro is founded by individuals from small towns with over a decade of hands-on experience in bulk agriculture trading.

Our mission is to scale operations and reach global B2B markets directly, offering competitive pricing by eliminating middlemen.
